

Welcome to my online portfolio, [www.xiaofeigao.com](http://www.xiaofeigao.com).

As I show in my resume, I am a trained industrial engineer. I am a Master of Science in Industrial and Management Systems Engineering (IMSE) from the University of Nebraska – Lincoln, and also a Bachelor of Science in Industrial Engineering from Xi'an Institute of Technology. I have served as a Lean Production Supervisor from JianAn Auto Co. Ltd. in Chengdu and as a Marketing Investigator for EMG Machine Co. Ltd in Beijing. Additionally, I worked as a research assistant for RFID and Supply Chain Lab at the University of Nebraska (RfSCL @ UNL), where I applied the latest industrial engineering research for local companies.
